About St. Arnolds Night Degree College of Arts & Commerce

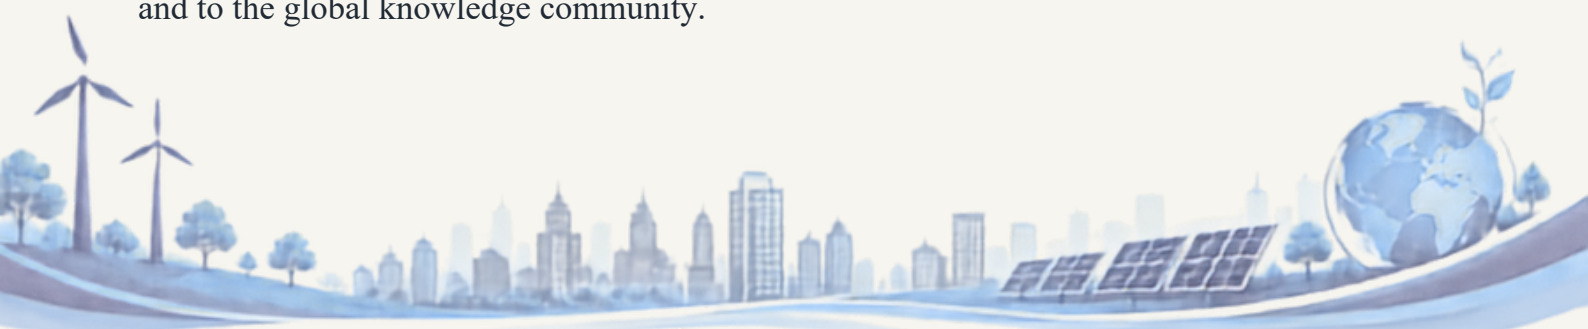

Established in 2020 and affiliated with the University of Mumbai, St. Arnold's Night Degree College of Arts & Commerce is dedicated to providing quality higher education that promotes academic excellence, professional competence, ethical values, and the holistic development of students. The College offers undergraduate programmes in Commerce, Management Studies, Accounting & Finance, and Information Technology, catering to the diverse academic and professional aspirations of learners. With a team of committed and experienced faculty members, the institution strives to create a student-centric learning environment that encourages curiosity, critical thinking, creativity, and continuous learning.

The College places strong emphasis on research, innovation, industry exposure, community engagement, and professional development. Students are provided with various opportunities to enhance their knowledge and skills through academic conferences, seminars, workshops, guest lectures, internships, projects, and co-curricular activities. These initiatives help students connect theoretical knowledge with practical experiences and prepare them to meet the evolving demands of the professional world.

St. Arnold's Night Degree College has demonstrated commendable academic achievements, including outstanding results across its various programmes. The institution continues to strengthen its academic and research culture by encouraging faculty and students to participate in research activities, knowledge-sharing platforms, conferences, and other scholarly initiatives. Such efforts contribute to creating an environment where learning extends beyond the classroom and students are encouraged to explore new ideas and perspectives.

Alongside academic development, the College is committed to nurturing values such as discipline, responsibility, integrity, teamwork, and social awareness. Through various academic, cultural, social, and community-oriented activities, students are encouraged to become responsible citizens and active contributors to society. The College believes that education should not only lead to professional success but also foster personal growth and a sense of social responsibility.

Guided by its motto, "**Committed to Excellence**," St. Arnold's aspires to build an inclusive, progressive, and vibrant academic environment where every learner is encouraged to recognize their potential and pursue excellence. Through its continued commitment to quality education, innovation, research, and community engagement, the College aims to empower students with the knowledge, skills, and values required to contribute meaningfully to society and to the global knowledge community.

About the Conference

In today's rapidly evolving global economy, the convergence of Artificial Intelligence (AI) and Sustainability is reshaping academia, industry, and society.

The International Conference on "Artificial Intelligence: Transforming Research, Innovation, Entrepreneurship and Management for a Sustainable Future" provides a premier platform for academicians, researchers, industry leaders, entrepreneurs, and students to explore AI beyond automation - as a driver of operational excellence, digital transformation, and ecological resilience aligned with the United Nations Sustainable Development Goals (SDGs).

The conference is built on four interconnected pillars:

Research | Innovation | Entrepreneurship | Management

Focusing on Commerce, Management, Accounting & Finance, Information Technology and allied domains, the conference will feature Keynote Addresses, Plenary Sessions, and Peer-Reviewed Paper Presentations. It will foster critical dialogue on responsible AI, algorithmic fairness, data privacy, and human-centric progress - bridging theory and practice to generate sustainable business models and actionable policy recommendations.

Mr. Ajay Gupta	Mr. Anand Prajapati
Mr. Bhushan Chaudhari	Mr. Omkar Yadav

Objectives of Conference

- To explore AI-driven entrepreneurship, startups, and business ecosystems.
- To promote technology-based sustainable innovations for inclusive growth.
- To examine AI and data analytics in commerce, finance, and management.
- To address skill development, higher education, and the future of work in the AI era.
- To promote data privacy, cybersecurity, ethical AI, and effective governance.

Sub-Themes for Conference

I. Entrepreneurship, Startups & Business Ecosystems

- Building Tech-Driven Startups and Scaling Businesses
- New Innovations & Digital business models in E-Commerce
- Venture Capital Trends in FinTech
- Social Entrepreneurship and Sustainable Business Models

II. Science, Technology & Sustainable Innovations

- Smart Materials and Eco-Friendly Technology
- Data Science in Biological and Chemical Sciences
- Using Computers and Mathematics to Solve Scientific Problems
- Environmental Analytics for Sustainability

III. AI & Data Analytics in Commerce, Finance & Management

- Using AI in Accounting & Auditing, Trading and Finance
- Using Big Data for Financial forecasting, fraud detection, investment and risk analysis.
- Using Technology and AI in E-commerce, marketing, customer service and sales.
- Using Data to Predict Customer Behavior, Decision-making, HR analytics, automation and business performance

IV. Skill Development, Higher Education & Future of Work

- Promoting Digital Literacy in Higher Education
- Employability skills: Digital skills, soft skills, industry skills and career readiness
- AI-Driven Teaching Methods and EdTech
- Workplace training & development

V. Data Privacy, Governance & Cybersecurity

- Protecting Data Privacy in the Digital Era
- Defending Against Cyber Threats
- Trust and Transparency in AI Systems
- Legal Frameworks for Tech Governance

Conference Timeline

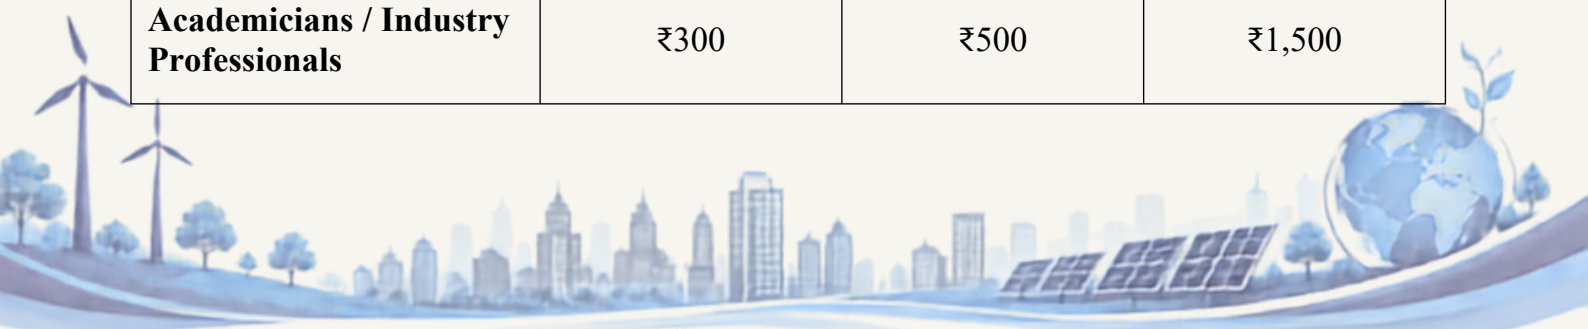

PARTICULARS	DATE
Registration	5 October 2026 - 16 December 2026
Last Date for Submission of Abstract	20 November 2026
Notification of Abstract Acceptance	27 November 2026
Last Date for Submission of Full Paper	12 December 2026
Last Date for Submission of PPT	12 December 2026
Notification of Full Paper Acceptance	16 December 2026

Research Paper Guidelines

- Abstract should not exceed 250 words and should be followed by 4–6 keywords.
- Plagiarism report and declaration must be attached in the annexure.
- Cover page: Title, Author's Name, Affiliation, Email Address and Mobile Number.
- Times New Roman, font size 12, line and paragraph spacing 1.5.
- Full paper must not exceed 3000 words or 6 pages including Graphs, Tables and Appendices.
- Cover page should not be part of the paper.
- Submission implies the manuscript has not been previously published and is not under consideration elsewhere.
