EDITORIAL

HONESTY, PEACE AND COURAGE : NEED OF HOUR

We are proud and excited to acclaim that we are ready with new hopes and hues to bring out this issue of HORIZON. The Magazine brings out the view, opinions, expressions, achievement, happiness and excitement with HONESTY.

HONESTY is the most significant human value. It means someone who has no desire to lie, steal, or cheat anyone. Peace is more precious than diamond or silver or gold. Duty is Truth and Truth is HONESTY. Martin Luther said, "The Lion and the Lamb shall lie down together and every man shall sit under own vine and Fig tree and none shall be afraid."

We shall overcome!!

This faith gives courage and courage makes one speak the truth. Every time you take a flight with truth your journey becomes success.

Today we find lot of violence in the world. This is hampering the development of every Nation as we are in a Global Village. Violence demoralizes the people and naturally honesty is put down. This may result into loss of human race and property.

We have examples of Hiroshima and Nagasaki in yesteryear's and Russia and Ukraine war in recent times. This has shattered the world psyche. I believe, the solution to such problem can be harmonious living, which comes out of Peace.

Peace is the outcome of HONESTY. As everyone knows, "HONESTY is the Best Policy". Honesty generates kindness, discipline, truthfulness and trustworthiness.

Indian culture believes in - 'Live and Let Live'. This will be possible only when we become true to ourselves. Thus **HONESTY is the need of hour.**

Let us pledge to be HONEST Every Minute, Every Hour, Every Day.

MANAGEMENT THOUGHT

Dr. Fr. Sebastian M. Michael SVD
Ph.D in Sociology, Professor of Cultural Anthropology

Dear Students, Academic and Non-Academic Staff, and In-Charge Principal,

It gives me immense joy and pleasure to pen these few lines for our College Magazine.

As we look back this academic year 2021-22, I am amazed at the wonderful growth of our College. It was a year of great activities, both on the fronts of academic and extracurricular. The students have gained in depth knowledge and wisdom to face challenges of the emerging world. I have often wondered at the excellent performance of our students in spite of being from simple background. The achievement of the students, both academically and in socio-cultural fields, needs to be valued and appreciated.

Behind these great performances, we have the excellent team of our professors led by the In-Charge Principal, Dr. Prof. Sunita Sharma, great organizer and leader. She has been working tirelessly, thinking, organizing and contacting people and organisations to put our College in par with other well established older colleges in the city of Mumbai. This is possible only with the collaboration and team work with our academic Faculty and Staff. I am grateful for the team work and leadership between the In-Charge Principal and the academic Faculty.

As we look forward to the new academic year 2022-23, let us keep the spirit of academic excellence and an integrated human development ahead of us. Our students should be men and women of character, dignity and integrity. Moral value of every individual is a god gift personality and respect and dignity should be the hall of our students. Academic excellence and growing morally will take our students to achieve greater heights. We look forward towards this achievement.

Lastly, I take this opportunity to place my gratitude to all our academic and non-academic Staff along with the In-charge Principal Dr. Prof. Sunita Sharma and the Management of our College for their visionary leadership in making this Institution to grow and serve God and humanity through love and unconditional service.

With gratitude,

Dr. Prof. Fr. S. M. Michael SVD
Rector
St. Arnold Night Degree College.

PRINCIPAL'S MESSAGE

"A Vision is an appeal to our better selves, a call to become something more and when the Vision is clear, the results will appear."

Dear Students and Stakeholders,

Time flies swiftly! One more year has been added to the glorious saga of St. Arnold's Night Degree College, born during the pandemic August 2020 with 114 students. The pandemic made us realize the value of people. We have tried, learnt to adapt to new ways of life, new techniques. Along with the IQ, EQ and SQ the pandemic has taught us a new dimension i.e. AQ which means Adaptability Quotient. We are learning and are adapting to the new normal. Technology has become an inevitable part of our life.

The Senior College continues to grow in strength, size and level of excellence. In the academic year 2021 – 2022, the College launched three new programs B.Sc (IT), BMS and BAF. To overcome social threat of COVID-19, initiatives were taken to get the staff and students vaccinated and "Fit India Freedom Run 2.0" was organized. The academic year 2021 – 2022 has been exciting, challenging and invigorating – a year of new learning's, of new opportunities, and of triumphs.

Academics is the soul of the college and we are happy on this count as the examination and evaluation were conducted online and offline in a well-organized manner. Semester IV result is 100 percent reflecting positively on the student – centered teaching – learning environment.

St. Arnold's Senior College is continuously striving to become better and better every year. The Student Orientation Program was conducted successfully. Students' Council was organizing events throughout the year and providing ample opportunities to students to showcase their talents and equipping them with skills to live up to their full potential in the outside world. Students participated in various inter – collegiate events and won accolades.

To familiarize students with foundational value concerns, series of lectures were conducted on the theme "Giving Voice to Values". In order to cultivate gender sensitivity, equity and safety, displays, talks and self defense training programs were organized. In collaboration with FES India and cluster Colleges, Panel Discussions, Student Symposium and Poster Making cum Caption Writing Competition were organized. More than 230 participants attended the Online Genderlogues from all over India. To help build the College visibility in society, various collaborations with other Colleges for organizing various events were done, and coverage of various events in various newspapers was given.

As a Green Drive Initiative under NSS various activities organized were waste segregation, disaster preparedness, paper bag making & distribution, Juhu Beach cleaning and bird nest planting. To propel inclusive growth, initiatives like teaching children of migrant workers, celebration of Sadbhavana Divas, collection and distribution of old Bed-sheets and a Blood Donation camp were organized.

To inculcate research culture in the Institution a National Conference in collaboration with other colleges was organized. All the Senior College Teachers got an opportunity to present Research Papers.

All these developments have been encouraged and supported by our visionary Management. I express my sincere gratitude to all the Members of Management. HORIZON 2021 -2022, the Annual Magazine of the college has allowed students to showcase their skills of creativity and put it forward that embodies this Institution. It proves that no obstacle is too big for us to overcome, if only we put our best foot forward and march on ahead. Our College Magazine 2021 – 2022 expresses the ethos of the College.

Stay safe, stay well and be healthy,

Best Wishes always.

The Volunteers collected 51 **Bed Covers** from the residents from the nearby area of the College, washed them and then distributed it to the Migrant workers families residing in Andheri (East).

Paper Bag making activity was conducted in the College. All volunteers collected the old news paper from their vicinity and even from their own houses . They were trained to prepare paper bag of various types and sizes. Total 1200 bags were prepared which were distributed to small shops in the vicinity.

To commemorate the memories of Martyr Mahatma Gandhi, Beach Cleaning activity was conducted at Juhu by the Volunteers with the permission of the Authorities. The volunteers cleaned up the area of around 2 kilometers of the Sea Shore. The garbage was picked up and thrown away at the BMC Clean-up van and in the Containers. Also homage was paid to Gandhiji by singing his favaroite Bhajan "Vaishnav Jan to Tene Kahiyeje" and "De di hame azadi" along with the Members of Gandhi Seva Samaj. The importance of Gandhiji's teachings of cleanliness, self reliance for social welfare was remembered.

The Volunteers did the cleaning of the surrounding area of the **Sneha Sadan**, a Home for Homeless girls left alone by Parents or relatives.

Birds, the beautiful creatures of the Nature are facing many problems due to urbanization, deforestation, loss of habitat and climate change. Many birds are caught and caged and this prevents their breeding in natural circumstances. The NSS Unit of the College has launched the project of **GIVE BIRDS A HOME** and took up the responsibility to place 100 nests in the surroundings of the College.

The Unit organized **Covid Vaccination Drive**. 12 students reported who had not taken the vaccine were taken for Vaccination to Municipal Corporation Centre near Dhobi Talao Ward No 3. The Volunteers helped the Health Center's Team of Vaccination Drive conducted during that day and also at the Vaccination Camp held at St. Arnold's High School & Junior College for students under 18 years.

The Volunteers did **Teaching to the children** of the Migrant workers staying under the Bridges construction site. Migrant workers shared their Problems with the Volunteers who in turn tried to counsel them & helped to get solutions on different issues.

Along with participating in different activities, the Volunteers attended online Programmes of Leadership Training, Shivaji Jayanti and Substance Abuse organised by the University.
